

# Spanish Enrichment Day

## **What is Spanish Enrichment?**

Our Spanish Enrichment Day is a Monday program from 9:00a.m. to 11:30a.m. for our 4 day preschool students only. This enrichment program will be implemented in 10 week sessions from October through May. Children will have the opportunity to explore the culture and language through the constructivist approach to learning. Each ten week session will focus on a specific curriculum and words. The purpose of this program is not for the children to learn grammatical structure, but rather begin to learn and recognize the names of people, places and things in Spanish. A letter from our new Spanish teacher, Cassie, is attached for you to read concerning her qualifications and background.

Space is limited for our Spanish Enrichment Day. We will have a maximum number of 15 children in the class, so if you are interested, please turn in your interest forms immediately! This program will be on a first come, first served bases. Each ten week session will be agreed upon with a separate contract, therefore enrollment in one session does NOT guarantee enrollment for the next.

## **Session I:**

Monday, October 5<sup>th</sup> through Monday, December 14<sup>th</sup>.
