Spring Conferences

Spring conferences will be held during the week of April 20^h. Information about conferences will be sent home. Spring conferences are **optional**. If you feel like you need to schedule a conference, or have questions/concerns, please feel free to contact your teacher.

Muscular Dystrophy Hop-A-Thon (Week of April 27th)

The Hop-A-Thon is both a unit in disability education for young children and a way to raise funds to benefit the research and service programs of the Muscular Dystrophy Association. Through age appropriate activities, children will learn about their muscles, physical ability (such as running, hopping, etc.) and the concept that “everybody is special”. Each child has received an envelope enclosed with information. The teachers will inform you of activities they will be doing that week. Please look it over and return it by April 27th. We also need a volunteer to come in and help count the donations. Please let us know if you are interested.

Spring Weather

The nice weather is finally here after a long cold winter. Please remember to dress your child in “weather-appropriate” clothing as sometimes it is cool in the mornings. Sweatshirts, jackets and layers are great ideas for spring weather as the children can adjust their comfort level throughout the day. It is also a good time to update cubbie clothing. Remember to label all clothing. This is also the season when preschool classes start to take short walks around the Square.

Garage Sale

Spring is finally here, and it is a great time to start spring cleaning. Remember to save items for the garage sale on April 24th. The committee will be setting up on Thursday and Friday prior to the sale if you still have items to drop off. If you have any question please call the office.

Parent Surveys

We would like to thank you for another successful year at Knox preschool. We would like to request your valuable input in order to maintain the high level of quality within our program. The preschool relies heavily on your comments to continue to improve our program. This year parents will be able to complete the survey on line. We will e-mail the parents as soon as the survey is posted.

Buddy Cards

Please remember to return money for buddy cards. We are committed to selling 200 and we have only sold 60. Please help!!!!

Upcoming Dates.....
